### SHOW GUIDELINES:

Only one original work of art (18x24 inches or smaller) will be accepted from each artist unless more pieces are needed. The work must be created from your own reference photo or your imagination with the theme of "florals". Your artwork must use colored pencil as the primary medium, however mixed media pieces are welcome. Pieces must be ready to hang with hanging wire only, no sawtooth hangers or other hanging mechanisms. Please make sure that your D-rings are located in the upper third of your frame and your wire is taut so that it doesn't hang forward from the wall. We will need 20-30 pieces of art to fill the gallery. The gallery will take a 30% commission on all sales including prints. (Prints may be sold through the gift shop at the reception only).

To ensure protection of your artwork each piece must have a separate carrier with artist/artwork information attached to the outside of the carrier and on the back of the artwork. Instructions on construction of the carriers are located on our website: <https://www.cpsa212-arizona.org/2>
