An art call opportunity in Texas:

Hello,

I am a CPSA lifetime member and a member of the Dallas Chapter. I am also Past-President of The Art League of Baytown in Baytown, Texas, just east of Houston. We are a 501c.3. non-profit, an all-volunteer gallery. We sponsor several activities throughout the year such as classes for adults and Special Needs adults, summer youth art camps, workshops, demos and special exhibits. We have been in existence since 1954! Our gallery is a work of love housed in an old historic Woolworth's store. We are working hard in Baytown to bring more art into the community. There was a recent article in the last (June 2020) "To the Point" about a traffic box project that was covered with a work I did in color pencil.

Now that I've introduced myself, I want to let all the chapters know about an art call we have just posted on ArtCall.org that may be of interest to some of your members. It is a fundraiser for our Art League, that we have been doing every January for several years we call "The Culture of Tea". January is National Hot Tea Month and in the past we have hosted an International Teapot Competition exhibit at our gallery, which was all amazing ceramic teapots. This year we want to expand it to all mediums (except video and performance), and would love to have some quality color pencil represented. All the art just has to be related to tea and can be for sale (with 30% commission for the gallery). I know there must be some tea lovers in your group! The deadline for entry is Oct. 31 and \$10 and entry, up to 4. Link to ArtCall.org - <https://artoftea2021.artcall.org/>

Thanks for your attention!

Karen Knight
