

Maureen Lueck

I've worked in colored pencil for a decade. After primarily using watercolor and oil paints, I discovered the rich colors and exacting techniques of this medium and haven't looked back. It's such a pleasure to see a vibrant image come to life. I particularly enjoy representing the beauty of the Sonoran Desert.

Exhibitions/Awards/Publications

Colored Pencil Society of America International Exhibit: 2019, 2011, 2019.
